B. 2016-17 CIE Planning.
S. Cooper informed the Council that at-risk data was compiled by LBUSD Research department. She reminded the Council that they are the ones deciding on the plan and categorical funding.

School Loop. L. Franklin inquired about student access to their grades, and a discussion about School Loop accounts, access to computers, and iPad cart usage ensued.
M. Harper presented data about library usage before school, during lunch, after school, and during instructional hours.
R. Campbell began discussion about an intervention specialist to help address attendance, EL, and academic issues. The specialist would coordinate tutorials, collect data to determine intervention/support effectiveness, and coordinate parent meetings.
T. Dotson suggested funding a school psychologist for additional day(s) to coordinate group and counseling sessions. P. Young commented that psych. interns were hired at her school, and other members expressed interest in a similar model for Hoover.
Currently-funded positions and their value were reviewed, including CSO, Health Assistant, IOA-Bilingual. The Council discussed the possibility of a 0.6 FTE LB Scholars/0.4 FTE Intervention position.

Meeting was adjourned at 8:52 a.m.
